## What's in a Name?

"That which we call a rose,  
by any other name would smell as sweet."—SHAKESPEARE.

A McCormick machine by any other name would doubtless work as well and last as long. However, the word "McCormick" on a machine means a great deal to the farmer. It is a guarantee against failure in the field. A guarantee against an experiment. A guarantee that radical changes (called improvements) have not been made between July and December of the same year. A guarantee that the machine has been tested at McCormick's expense—not yours. A guarantee that you pay no express or telegram charges for repairs ordered in the busy season. A guarantee that your OLD and new machine will be cared for without expense to you. A guarantee that the agency will not change hands every year. A guarantee that it is the cheapest machine for you to buy because it is the ONLY machine built to-day as good as machines were built ten years ago. A machine bearing the name McCormick never met defeat, or never was a failure. Call and see our samples, we can show you every part of them.

### Why Women are Nervous.

BRITISH MEDICAL NEWS. The frequent cases of nervous prostration or utter collapse of the nervous system under which women "go all to pieces," as the saying is, have caused much thought and investigation on the part of physicians.

Certain inorganic substances are well known to cause various forms of nervous diseases which are rapidly traced to the poisons producing them. Further research leads to the belief that alum is a prevailing cause of so-called nervous prostration, for the symptoms it produces on the nervous system after its absorption into the blood are very remarkable indeed. Experiments physiologically made upon animals by Orfila, Prdis, Professors Hans Mayer, Paul Selin and others, show that alum frequently produces no visible symptoms for many days after its introduction into the body. Then follow loss of appetite and other alimentary disturbances, and finally a serious prostration of the whole nervous system. The most prominent physicians now believe that "nervous prostration" and many affections of the nerves from which both men and women suffer are caused by the continued absorption of alum into the system. It is probable that many medical men are unaware of the extent to which salts of alumina may be introduced into the body, being under the impression that the use of alum in bread is prohibited. Alum, however, is still used surreptitiously to some extent to whiten bread and very largely in making cheap kinds of baking powder. In families where baking powder is generally used great care should be exercised to procure only those brands made from cream of tartar. The alum powders may generally be distinguished by the lower price at which they are sold.

## ROYAL BAKING POWDER

ABSOLUTELY PURE

Makes the food more delicious and wholesome

ROYAL BAKING POWDER CO., NEW YORK.

### RUSH.

Appreciating the services of Supervisor John Crane, the republicans of Rush gave him the compliment of a unanimous re-nomination—it was well deserved as Mr. Crane has a good record for his first term. His associates on the ticket are equally representative men and all should be elected.

Clerk—Will W. Palmer. Treas.—Wm. S. Lewis. Justice—Wm. Caldwell. Highway Com.—Marion Alden. Member Board Review—Chas. Freeman. School Inspector—Jessie Wilson.

### NEW HAVEN.

The republicans are determined to redeem New Haven if hard work and excellent nominations count for anything. The nominees are men who can be depended upon to work for the best interests of the township if elected.

Supervisor—John Kira. Clerk—Walter S. Burge. Treas.—Jas. A. Hopson. Justice—Warren Doan. Highway Com.—Worthy H. Post. School Inspector—C. F. Houghton. Member Board Review—Levi Crane.

### OWOSSO.

The ticket nominated by the republicans of Owosso township is sure to win, and for that reason the party is always careful to select its best men for candidates. Then again it has become a rule to continue in office several terms trustworthy officials, shown this year by the re-nomination of Messrs. Frank Rush and E. T. Wilbur. The entire ticket is one we can commend highly.

Supervisor—Frank H. Rush. Clerk—Elliott T. Wilbur. Treas.—George I. Rush. Highway Com.—Alex. C. Crane. Member Board Review—Francis M. Shepard. Justice—William Wright. School Inspector—Oliver C. Launstein.

### PERRY.

The republicans of Perry have pressed John A. Morrice into service again by re-nominating him for supervisor. Mr. Morrice is one of the best representatives Perry ever sent to our county legislature, and he should be elected by a big majority. The other nominees make up an exceptionally good ticket.

Supervisor—John A. Morrice. Clerk—H. H. Hawley. Treas.—Harvey Walter. Justice—T. E. Heddie. School Inspector—James A. Hubbard. Highway Commissioner—Jas. Bridger.

### SHIAWASSEE.

The republicans of Shiawassee township have placed a man at the head of their ticket who in qualifications and character is capable of filling almost any office within the gift of the people, while with him on the board of supervisors the whole county, as well as his own town will be the gainer. One of the strongest candidates whose nomination was urged last fall for state representative, he will be equally strong on the board of supervisors, and the republicans of Shiawassee should turn the town upside down if necessary to elect Mr. Frank Whelan as supervisor. The whole ticket is a good one, as might be expected from the name at the head of it.

Clerk—Hugh Parker. Treasurer—Thomas Herriek. Justice—Henry Williams. School Inspector—William McCullough. Board of Review—C. H. H. Payne.

### WOODHULL.

The republicans of Woodhull are good fighters and will make an effort this year to elect all of their nominees. The records will show that the affairs of the township have never been better handled than when republican officials were in charge. The ticket is all right and ought to be elected.

Supervisor—William Colby. Clerk—Geo. W. Chrouch. Treas.—Irving Vandewalker. Justice—Geo. Clemens. Highway Com.—Clie Colby. Member Board Review—Geo. Poland.

### BURNS.

"I think we have the strongest ticket we have had for years," is the statement made to THE TIMES by one of the leading republicans of Burns. We can say that the nominees are certainly all right and deserve the unanimous support of all republicans of the township. Burns can be redeemed this year if every republican will go to the polls.

Supervisor—Fred S. Ruggies. Clerk—William H. Betterly. Treas.—J. Frank Barnes. Justice—Thomas A. Lawrie. Highway Com.—Barker I. Brown. Board of Review—William B. Mattison. School Inspector—Miss Stella E. Potter.

### MIDDLEBURY.

Middlebury has one of the truest of men to represent her on the board of supervisors and it is safe to say he will be returned so long as he will accept the position. The balance of the nominees are like Mr. Stanlake, safe, conservative men, who believe in an honest administration of township affairs.

Supervisor—Geo. Stanlake. Clerk—Edmund R. Vincent. Treasurer—J. W. Rose. Highway Commissioner—W. C. Stiff. Justice, full term—W. C. Stiff. Justice, to fill vacancy—J. M. Dewitt. Member Board of Review—F. E. Southworth. School Inspector—O. C. Stiff.

### CALEDONIA.

The republicans of Caledonia have, as usual, a strong ticket and the nominees will undoubtedly be elected by large majorities. Supervisor Martin, chairman of the present board, and an excellent official, heads the ticket.

Clerk—Fred M. Kay. Treas.—Daniel Munger. Supervisor—Geo. Stanlake. Justice—Zilba D. Hurrell. School Inspector—Howard Slocum. Member Board Review—L. D. Morgan.

### VENICE.

The record of Supervisor Shipman is as satisfactory to the voters of Venice as that of any man who ever represented the town. The financial affairs of the township have been economically administered since the voters turned them

over to the republicans and will be during the next year if the entire ticket is elected. Clerk—Fred W. Lawcock. Treas.—Fred Hamblin. Highway Commissioner—Fred Bower. Justice—R. A. Phelps. Board of Review—Donald McKay. School Inspector—Arthur Hollister.

### SCIOTA.

The republicans of Sciota are persistent fighters, never discouraged by defeat and have nominated a strong ticket this year. Supervisor—Andrew Sherman. Clerk—Edwin Larabee. Treas.—K. S. Krook. Justice—Geo. M. Kinney. Justice, to fill vacancy—S. N. Pierce. Highway Com.—Reuben Chant. Board Review—Wm. J. Austin. School Inspector—N. Willis Tucker.

### VERNON.

One of the staunchest republicans in Shiawassee county heads the Vernon republican ticket and a host of friends throughout the county would be pleased to see him and the entire ticket successful.

Supervisor—C. Frank Smith. Clerk—Andrew Barlow. Treas.—Lemuel Hamlin. Justice—O. A. Garfield. Justice to fill vacancy—S. C. Patchell. Highway Commissioner—A. Bruno. School Inspector—Burt Potter. Member Board Review—C. S. Reed.

### (TALK NO. 5.)

## "Dear Aunt's" Glasses.

Now and then an honest looking fellow comes along with a handsome pair of "gold" glasses in his pocket. He tells you that his dear Aunt bought them just before she died. That she paid \$16.50 for them. That he is very hard up and must have money. If you can use them at \$6.00 take them. He cannot starve. If you won't pay six dollars give him five, four, three, anything, to keep soul and body together. Sometimes it is his mother or his grandmother that is dead. Sometimes he found them on the train. It is always the same. He must have ready money and it is a big chance for you. If you could see how many purchasers bring these glasses to me to find out whether they are worth "eighteen dollars or only twelve." You would be surprised that so many people could be humbugged. I have known these fellows to sell forty and fifty pairs a day. Twenty nine cents each is what they cost him.
